Bulletin Number 4: Friday 26th September 2025

[A message from the headteacher](#)

Happy Friday everyone! Our very first 'Come Dine with Me' was a roaring success and it was fabulous to be joined by so many Juniper class parents. It was a lovely atmosphere within the dining room and as you can see by the photos below, everyone had a great time and the food was delicious. Many thanks to Denise, Vicky and the team for helping to make this happen. More of the same next week please...

What a day we have had as 'Rockstars' and enjoying all things maths – it has been absolutely wonderful to celebrate with parents too. The children loved the chance to share their learning and challenge the grown ups! From number fun to supporting a really worthy cause in Macmillan. Staff donated an abundance of cakes and sweets treats and together as a school community we enjoyed a quick bite to eat with good friends whilst doing some good. Thanks everyone for your support.

St Teresa of Lisieux Catholic Primary Academy

Community and togetherness is always a real focus for us and since we have comeback and I'm delighted to say that we have been able to open our doors for the following events; Meet the Teacher, Online Safety Workshop, Rockstar Day, Macmillan Coffee Morning, Come Dine with Me, Year 6 PGL session and there lots more to come. Please see Diary dates at the end of this issue.

Religious Education and Catholic Life of the school

We are continuing our journey through the new RED curriculum Knowing You More Clearly and preparing for our special Little Way Week, which will conclude with the feast of St Therese of Lisieux.' During Collective Worship this week, we have been focusing on all the special qualities that each of us has and how that sometimes, we forget that we are all precious and far from ordinary.

An enthusiastic group of year 5 and 6 children started their work towards achieving the Young Leaders Award. They will develop leadership skills (teamwork, communication , confidence) and character virtues (compassion, humility, service to others) through practical projects and social action. Our school and the wider community will be a better place as they 'Be The Change They Want To See'.
